

MATHYS PEGAGRAFF® HYDRO

COLOURLESS ANTI-GRAFFITI COATING

Water based 2-pack polyurethane

The ideal anti-graffiti protection

Pegagraff® Hydro is undoubtedly the ideal protection for facades and buildings that are susceptible to graffiti. This waterborne colourless and extremely abrasion resistant varnish is solvent resistant: that is why all kinds of paint can be removed quickly and efficiently by means of Pegagraff® Hydro Cleaner.

- Satin gloss finish
- Solvent resistant - allowing easy graffiti removal
- Resistant to UV, acids and alkalis
- Extremely abrasion resistant
- For use with Pegagraff® Hydro Cleaner
- Also useful as a colourless varnish for internal walls

Use the cleaning gel to wipe off graffiti from any substrate treated with a Pegagraff® Hydro coating.
